EXECUTIVE OFFICER

Dear Supervisors:

**STREET LIGHTING DISTRICTS  
ANNEXATION TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND COUNTY  
LIGHTING DISTRICT LANDSCAPING AND LIGHTING ACT-1, UNINCORPORATED ZONE  
PETITION NO. 12-311  
(SUPERVISORIAL DISTRICT 4)  
(3 VOTES)**

### SUBJECT

This action is to initiate the proceedings for the annexation of territory located within the unincorporated area of Los Nietos to County Lighting Maintenance District 1687 and County Lighting District Landscaping Lighting Act-1, Unincorporated Zone, and order the preparation and filing of an Engineer's Report for the petition area.

### **IT IS RECOMMENDED THAT THE BOARD:**

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.
2. Approve and file Petition No. 12-311 to annex territory located within the unincorporated County area to County Lighting Maintenance District 1687 and County Lighting District Landscaping Lighting Act-1, Unincorporated Zone.
3. Adopt Resolution Initiating Proceedings for the Annexation of Territory to County Lighting Maintenance District 1687 and County Lighting District Landscaping Lighting Act-1, Unincorporated Zone.

4. Order the Department of Public Works to prepare and file an Engineer's Report for the petition area.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended action is to: (1) find that the project is categorically exempt from the California Environmental Quality Act (CEQA) Guidelines; (2) initiate proceedings for the annexation of territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping Lighting Act-1 (LLA-1), Unincorporated Zone; and (3) order the preparation and filing of an Engineer's Report for the petition area pursuant to section 22585(d) of the California Streets and Highways Code. The Engineer's Report will include, but will not be limited to, the plan for improvement, the estimated cost of the improvement, a diagram showing the area to be annexed, and the annual assessment that will be applicable.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1). The annexation of territory to County Lighting Maintenance and Assessment Districts will provide street lighting services and delivery of a customer-oriented public service. This action is consistent with Fiscal Sustainability (Goal 2). The annual property tax transfer will provide funding necessary for the operation and maintenance of street lighting facilities within the annexed territory. The proceeding of levying of assessments and property tax transfer will be included in the subsequent Board action. In addition, these actions are consistent with Integrated Services Delivery (Goal 3). Street lighting services will provide convenience and safety for the motoring public as well as the safety and security of people and property.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

The fiscal impact to the County Lighting Maintenance and Assessment Districts will be assessed once the Engineer's Report for the petition area is complete.

Sufficient funds are included in the Fiscal Year 2013–14 CLD Budget to finance the cost of the Engineer's Report.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The enclosed Petition No. 12-311, Reichling Lane et al., located within the unincorporated County area, favoring the annexation of territory and continued operation of existing street lights located therein, was signed by property owners representing 76 percent of the area proposed for annexation to CLMD 1687 and CLD LLA-1, Unincorporated Zone.

This petition complies with the 60 percent or more requirements in a policy adopted by the Board on March 11, 1980. The petition indicates the approximate assessment for the installation, operation, and maintenance of the street lights to be paid by the property owners within the territory to be annexed. The proposed annexation area is shown on the map attached to the petition.

These proceedings are governed by the Landscaping and Lighting Act of 1972 (section 22500 et seq. of the California Streets and Highways Code). Public Works will prepare an Engineer's Report for the petition area that complies with section 22565 et seq. of the California Streets and Highways Code and Article XIID, section 4(b), of the California Constitution.

After the Board adopts the enclosed Resolution Initiating Proceedings for the Annexation of Territory to CLMD 1687 and CLD LLA-1, a separate Resolution of Intention to Annex Territory to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will be prepared and submitted for the Board's consideration and adoption. The Engineer's Report for the petition area will also be filed at that time.

The Resolution Initiating Proceedings has been approved, as to form, by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed action is categorically exempt from the provisions of CEQA. The project to annex territory to County Lighting Maintenance and Assessment Districts for the purpose of enhancing street lighting is within a class of projects that has been determined not to have a significant effect on the environment in that it meets the criteria set forth in section 15301(c) of the CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, which specifically include annexations to street lighting districts and involves no expansion of use. In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exception inapplicable based on the project record.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Preparing the Engineer's Report is consistent with the current services regularly conducted by Public Works.

**CONCLUSION**

Please return one adopted copy of this letter and a copy of the signed resolution to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter to the Assessor, Ownership Services Section (Attention Angela Gadsden), and one to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

Respectfully submitted,
